

# TRANSITION WORKSHOP SERIES

For Families and Students with Disabilities

## Talking to Our Children about Their Learning Differences: Promoting Self-Awareness and Self-Determination

Wednesday, May 16, 2018

This presentation will allow participants to discuss freely the issues surrounding a discussion with their child about their disability or learning differences, with a positive eye toward self-awareness and self-determination.

We will explore tools to support students in expressing themselves as a member of their CSE, so as to develop a quality IEP that respects and accommodates unique individual needs.

This workshop will be held from 7:00 – 8:30 pm at the  
**Rockland BOCES Conference Center, Bldg #10**  
**65 Parrott Road, West Nyack**

### Transition Workshops offered through **Rockland BOCES** and the **Rockland Transition Consortium**

The Rockland BOCES Student Services Division and the Rockland Transition Consortium are working to educate students and their families in preparing for and making transitions, linking families with resources for the transition from school to work and/or post-secondary programs, children's services to adult services, and home to the community at large.
