

The **Westchester Institute for Human Development** has joined with state and local officials to celebrate the unveiling of its new **Mobile Dental Clinic**, a state-of-the-art dentist office on wheels that provides dental services to children and adults with disabilities throughout the region. Any agencies or programs in the Hudson Valley region supporting individuals with intellectual and developmental disabilities that would benefit from or would be interested in receiving dental care from the Mobile Dental Van should call 914/493-8081 for additional information.
