Talking To Our Children About Their Learning Differences:

Promoting Self-Awareness & Self-Determination

This presentation will allow participants to engage in discussions with your child about their disability or learning differences, with a positive eye toward self-awareness and self-determination. The workshop will explore tools to support students in expressing themselves as a member of their CSE, so as to develop a quality IEP that respects and accommodates unique individual needs.

Wednesday, February 12 at 7:30 pm

The future is not something we enter. The future is something we create.
And creating that future requires us to make choices and decisions... That all begins with a dream.
