

WIHD MOBILE DENTAL VAN

Site Criteria

- ❖ Clients in need of dental services
(approximately 10-14 patients per day)
- ❖ Commitment to a regular schedule
(weekly, monthly, or quarterly)
- ❖ A contact person at your agency
- ❖ Flat parking area with easy access for van
(35' long, 8'6" wide, 12'3" high); access to a waiting area
with restrooms)
- ❖ Access to a 120/240V line with a 14-50R receptacle within
30 ft. of service site
 - ❖ Water supply
- ❖ Parking for dental staff (3 spaces)
- ❖ Safe area to leave van overnight, if needed

In accordance with NYS Department of Health regulations we will need:

- ❖ a sketch of the site where the van will be parked with respect
to the adjacent buildings
- ❖ written approval from local Fire Department giving permission
to park van in planned location
