Family Engagement: Communication and Culture

The aim of this online session is to ensure that educators are mindful of how they communicate with parents, guardians, and families to ensure that educational sites are culturally responsive and welcoming.

Participants will complete a self-guided, asynchronous course via Schoology prior to participation in an interactive, synchronous Zoom session.

Registration will be open from Thursday, September 10, 2020 through Wednesday, September 30, 2020. On October 1, 2020, all registered participants will be emailed instructions to access the Schoology workshop content, which will need to be completed by October 8, 2020. On October 9, 2020, all participants who completed the Schoology session will be emailed a link for the Zoom sessions (you can choose the one that works best with your schedule).

There is no charge for this workshop.
