

Parent Discussion Forums: Back To School Parent Discussion

Focused on Supporting Children with Disabilities as we navigate the new school year.

Join us for open discussion and Q&A about how you can best help your child this school year. CSN staff and our colleagues (including advocates, self-direction brokers, and more) will facilitate discussions to help you strategize about how to best support your child. We want to share what we have learned and create a space where we can learn from each other. Please join us to share what has been working for you, where you are challenged, and to learn what will help you and your child this year.

Back To School Parent Discussion *Navigating the Challenges of the Upcoming School Year*

Wednesday, September 16, 2020
7pm

Questions? Please email: csn@wihd.org

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN serves as the Hudson Valley Family and Community Engagement Centers (FACE) for the NYSED OSE Partnership.

Our experts are knowledgeable about all the disability systems serving individuals with disabilities across the lifespan and are available to help YOU.

We provide resources, training, direct services, support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
