

"How to Support Your Child's Vocabulary" (Explicit Vocabulary Instruction for Parents)

Parents and caretakers will be able to explain the importance of vocabulary instruction for their child in the elementary grades. Participants will also be able to describe ways to incorporate explicit instruction and vocabulary instruction in the home. Zoom links and additional materials will be shared following registration.

"How to Support Your Child's Vocabulary"

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN serves as the Hudson Valley Family and Community Engagement Centers (FACE) for the NYSED OSE Partnership.

Our experts are knowledgeable about all the disability systems serving individuals with disabilities across the lifespan and are available to help YOU.

We provide resources, training, direct services, support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
