

Talking to Our Children about Learning Differences

Promoting Self-Awareness and Self-Determination

How do I talk to my child about his disability? - This presentation will allow participants to discuss freely the issues surrounding a discussion with your child about their disability or learning differences, with a positive eye toward self-awareness and self-determination. The workshop will explore tools to support students in expressing themselves as a member of their CSE, so as to develop a quality IEP that respects and accommodates unique individual needs.

Wednesday, December 15, 2020

3:30 pm - 5:00 pm

Stephanie Bellantoni,
Assistant Director for Community Inclusion and Self-Determination
Community Support Network, WIHD

Questions? Please email: csn@wihd.org

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN serves as the Hudson Valley Family and Community Engagement Centers (FACE) for the NYSED OSE Partnership.

Our experts are knowledgeable about all the disability systems serving individuals with disabilities across the lifespan and are available to help YOU.

We provide resources, training, direct services, support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
