

Parent Discussion Forum - Let's Talk Behavior!

Whether you are a parent of a preschooler or a teenager, parenting can be challenging as children continue to learn from home and have limited social/outdoor activities with winter here!

WIHD's Community Support Network is hosting a discussion for parents and professionals to talk about address challenging behaviors. Open to parents of Prek - 12th graders! Guest speakers will include Family Educators and Behavior Specialists!

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN serves as the Hudson Valley Family and Community Engagement Centers (FACE) for the NYSED OSE Partnership.

Our experts are knowledgeable about all the disability systems serving individuals with disabilities across the lifespan and are available to help YOU.

We provide resources, training, direct services, support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
