

“What’s Next?” Parent Q&A Series **Navigating Adult Services**

FOCUS: *Adult Career & Continuing Education Services-
Vocational Rehabilitation (ACCES-VR)
and NYS Commission for the Blind (NYSCB)*

Join us for a brief discussion and receive resources to recognize various adult service agencies and the different types of services available in NYS as well as the eligibility, referral and application process for the agency/service system of focus.

ACCES-VR assists people with disabilities to achieve and maintain employment through training, education and career development. NYSCB provides similar services to assist people who are legally blind. Participants are encouraged to come with questions and leave with answers to “what’s next” in their young adults’ transition to adulthood.

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley’s resource for individuals with disabilities, their families, and the professionals supporting them. Our experts are knowledgeable about all of the disability systems serving individuals with disabilities across the lifespan and are available to help YOU. We provide resources, training, direct services, and support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
