

Transition Planning from Preschool Special Education to Kindergarten (CPSE to CSE)

This online training will support parents as they prepare for their child's transition from preschool special education to kindergarten. Topics covered include: understanding the differences between Committee for Preschool Special Education (CPSE) and Committee for Special Education (CSE), understanding the transition process from CPSE to CSE, learning how to be an active member of the transition team, understanding the purpose of an Individualized Education Program (IEP).

This workshop will be held via ZOOM

1. Registered participants will receive access to a self-guided training package on January 11th. This will include a three-part training webinar.
2. Participants will listen to the 3 parts at their own pace (each is approximately 20 minutes long)
3. Participants will receive handouts that they can access and save or print as well as helpful resources
4. The presenters will host a Live Q&A Session via Zoom (link will be provided) on Wednesday, January 13, 2021. Participants can ask questions live or submit them in advance

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN serves as the Hudson Valley Family and Community Engagement Centers (FACE) for the NYSED OSE Partnership.

Our experts are knowledgeable about all the disability systems serving individuals with disabilities across the lifespan and are available to help YOU.

We provide resources, training, direct services, support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
