

Hudson Valley PreK Forum

WIHD is pleased to announce that we will be re-instituting our semi-annual Early Childhood Forums in order to provide professional development and updates to the early childhood community. These Forums are for both parents and Pre-School professionals.

We hope you can join us for our launch session, on Thursday May 6 at either 9 - 10:30am or 1:30 - 3pm. You don't have to attend both sessions. Please watch your inbox for a registration link.

In order to ensure that the content of our forums met the needs of stakeholders, we ask that please you take 2 minutes to complete **this quick survey** regarding potential topics.

The Community Support Network (CSN) at Westchester Institute for Human Development is the Hudson Valley's resource for individuals with disabilities, their families, and the professionals supporting them. The CSN operates Family and Community Engagement (FACE) Centers for the NYSED OSE Partnership. Our experts are knowledgeable about all of the disability systems serving individuals with disabilities across the lifespan and are available to help YOU.

We provide resources, training, direct services, and support and guidance to families, schools, agencies, and individuals themselves on disability related issues and topics.
