

New York State

**Children and Youth with Special Health Care Needs
(CYSHCN)**

Resource Guide

Long Island Region
2021-2022

Welcome to the New York State Children and Youth with Special Health Care Needs (CYSHCN) Resource Directory!

This directory lists resources for children and youth with special health care needs (CYSHCN), as well as their advocates, caregivers, families, and providers. The New York State Department of Health (NYS DOH) defines CYSHCN as people from birth to 21 years old who require extra health care and support services because of developmental, emotional, intellectual, learning, medical and/or physical conditions. Resources in this directory are specific to the state of New York. The NYS DOH is committed to the well-being of CYSHCN and their support networks. If you have up-to-date information on a resource or if you would like to add a resource to this directory, please visit our Resource Referral Portal (<https://airtable.com/shrkMnVBdLJTryIVP>).

This directory is funded by the NYS DOH and the resources are maintained (through September 2024) by the three NYS University Centers for Excellence on Developmental Disabilities (UCEDDs). The three UCEDDs are as follows:

[The Rose F. Kennedy \(RFK\) Center at Einstein/Montefiore](#)

[The Strong Center at the University of Rochester](#)

[The Westchester Institute for Human Development \(WIHD\).](#)

For more information on the New York State Department of Health Children and Youth with Special Health Care Needs (CYSHCN) Program, please visit:

New York State Department of Health: Special Education Services

Regional Resource Guide
of the Children and Youth with Special
Health Care Needs (CYSHCN) Project

Agency Name: New York State Department of Health: Special Education Services

Agency Description: Children ages 3-21 with disabilities who live in New York State are eligible. Students thought to have a disability are referred to a multidisciplinary team (e.g., teachers, psychologists, and therapists) called the Committee on Preschool Special Education or the Committee on Special Education. The Committee arranges for an evaluation of the student's abilities and needs. Based on evaluation results, the committee decides if the student is eligible to receive special education services and programs.
