SPECIAL EDUCATION TASK FORCE WEBINAR

April 2022 Training

It's Annual Review/CSE Meeting Time

- Are you concerned about the loss of special education services and supports if your child is declassified?
 - Are you confused about the differences between an IEP and 504 Plan?
- Are you wondering if a 504 Plan is better than an IEP for your college-bound student?

If you are, this FREE information session is for you!

Understanding Services Provided through a Section 504 Accommodation Plan

This virtual presentation will provide participants with a better understanding of the laws that affect students with disabilities and how services and supports can be provided to ensure students are participating fully in the programs and services offered in the general education curriculum. Differences between a Section 504 Accommodation Plan and an Individualized Education Program (IEP) will be reviewed. Members of the Mid-Hudson Special Education Task Force will be ready to answer your questions.
