

Virtual Family Forum:

POST-SCHOOL PLANNING FOR YOUNG ADULTS NOT GOING TO COLLEGE

Westchester Institute for Human Development (WIHD) & The Arc Westchester collaborates to offer this informative event on:

Tuesday, February 28th, from 6:00-7:30 PM on Zoom

The **Community Support Network** at WIHD and The Arc Westchester's **Transition Academy** invites families with young adult children (ages 18-23) preparing to leave school or have recently exited high school to attend this meaningful event. High School transition counselors, guidance counselors, and related professionals are also invited to learn more about the options available to alternately assessed students after exiting the school system.

The information covered during this event includes, but is not limited to, the following:

- Adult program options available through Office for People With Developmental Disabilities (OPWDD) funding
- Services available through Adult Career & Continuing Ed Services-Vocational Rehabilitation (ACCES-VR)
- Considerations and selecting the right services for your loved one
- Methods and suggestions to help prepare your young adult child for adult services
