

# The Lower Hudson Special Education Task Force is honored to present:

## Ending the Silence for Families & Staff

**May is Mental Health Awareness Month!** The rates of anxiety, depression and other mental health conditions continue to increase for young people, including those identified with additional special education needs.

This compelling presentation will educate parents, school staff and caregivers about the warning signs of mental health conditions, about what steps to take if your child or a student is showing symptoms of a mental health condition and how school districts and parents can work together to help students.

**Please join the LHSETF on Zoom  
Wed., May 24, 2023: 7:00 p.m. to 8:15 p.m.**

*Facilitated by Task Force Board Members Julie Passman and Marion Walsh*
