If you are unable to keep your appointment, please notify us as soon as possible. Missed or late appointments disrupt schedules that can impact you and other patients.

To ensure that each patient is given the proper amount of time allotted for their visit and to provide the highest quality care, it is very important for each scheduled patient to attend their visit on time. As a courtesy, an appointment reminder call or email to you is made/attempted one business day prior to your scheduled appointment. However, it is your responsibility to arrive for your appointment on time.

PLEASE REVIEW THE FOLLOWING POLICY

1. We ask that you make every effort to cancel your appointment with at least 24 hours' notice. This will enable us to accommodate other patients who are requesting similar time slots.
2. If you are more than 15 minutes late it is possible we may not be able to accommodate you. If you will be late please call in advance to make sure you can still be seen for the remainder of your appointment.
3. All late cancellations and no shows will be documented in your medical record.
4. Three or more late cancellations or no shows in a 3 month time frame may result in terminating services.
5. If there is a one-month lapse in treatment for services requiring ongoing consecutive sessions, without discussing with the clinician in advance, treatment may be terminated.
6. Please be aware that if your case is closed you may be placed on a waiting list and the same clinician or time slot cannot be guaranteed.
7. We will make every attempt to contact you after late cancellations and no shows. These attempts to contact you will be documented in your medical record.
8. If your services are terminated due to missed appointments we will attempt to assist you by recommending alternative providers.
