

Special Education Task Force
LUNCH & LEARN Series:

THE BENEFITS & BASICS OF ASSISTIVE TECHNOLOGY FOR STUDENTS WITH DISABILITIES

January 10, 2024 | 12:00PM - 1:30PM ET

This is the first event in a 5-part Lunch & Learn series hosted by the New York State Special Education Task Force (SETF). Participants will learn the following:

- What is Assistive Technology (AT) and how does it benefit students with disabilities?
- How can a student with special education services get AT to use in school?
- What is the school's responsibility to provide and incorporate AT into a student's Special Ed programming?
- Explore the variety of AT and related supports for different kinds of disabilities

PANELISTS

- **Tina Caswell, MS, CCC-SLP:** Director for Clinical Education and Clinical Associate Professor, *Binghamton University*
- **Reva Reid, MA, MOT, OTR, TVI:** Reva Reid Therapy Services
- **Lucas Stone:** Technology Related Assistance for Individuals with Disabilities (TRAID) Specialist, *Southern Tier Independence Center*
- **Christina Asbee, Esq.:** Director of Protection & Advocacy for Assistive Technology, *Disability Rights New York*
