

TRANSITION Workshop Series

For Families and Students with Disabilities in all Districts

Transition to College for students with an IEP or 504 Plan

Wednesday, February 7, 2024

- This information session is designed to assist parents and young adults who plan to pursue a college degree, in understanding the differences that can be expected as students move from high school to any 2 or 4 year college setting.
- Points that will be reviewed include the process to access academic accommodations; disability documentation requirements; the changing role of parents; and tips on what students can do now to gain the necessary skills needed for a successful college experience.

This workshop will be held virtually via Zoom from 7-8:30 pm.

**Transition Workshops offered through
Rockland BOCES and the Rockland Transition Consortium**

The Rockland BOCES Student Services Division and the Rockland Transition Consortium are working to educate students and their families in preparing for and making transitions, linking families with resources for the transition from school to work and/or post-secondary programs, children's services to adult services, and home to the community at large.
